Clerk to the Council
8th July 2024

Under the Openness of Local Government Bodies Regulations 2014, any members of the public are allowed to take photographs, film and audio record proceedings and report on all public meetings (including on social media). No prior notification is needed but it would be helpful to let the Clerk know of any plans to film or record so that any necessary arrangements can be made to provide reasonable facilities to report on meetings. This permission does not extend to private meetings or parts of meetings which are not open to the public.

Should you wish to record the meeting, you are asked to act in a reasonable manner and not to disrupt the conduct of meetings by, for example, using intrusive lighting, flash photography, or in asking people to repeat statements for the benefit of the recording. Oral commentary may not be made during the meeting. The Chairman has the power to control public recording, and recording must be clearly visible to anyone at the meeting.

Please be aware that whilst every effort is taken to ensure that members of the public will not be filmed, we cannot guarantee this, especially if you are speaking or taking an active role. Members of the public will be permitted to speak for a period of 3 minutes. Please note that members of the public exercising their right to speak during Public Questions Time may be recorded.

The Parish Council recommend that any questions for Members should be submitted in writing to the Parish Clerk 24 hours before the Meeting and that responses may be put in writing at a later date.
